

Faubourg Cushions

Arflex

Product Type

Cushion

Sofa Faubourg is a tribute to arflex-history, where Carlo Colombo plays as usual on simplicity with irony and taste. An easy & chic piece, characterized by depth and very soft cushions into which one can almost dive. The thin foamed structure reminds the fingers of a hand, softly supporting the soft seat and back cushions. Faubourg has fully removable covers except for leather version.

Dimensions

W17,75" x H17,75"

W45cm x H45cm

W21,75" x H21,75"

W55cm x H55cm
