

Journey SHY1

&tradition

**Product Type** Lighting

The Journey lamp is a merging of two classic geometric shapes, the sphere and the rectangle. The round, opal glass shade is reminiscent of the moon. Journey comes as both a table lamp and a wall lamp, with subtle colour combinations that make it easy to place anywhere. Whether the moon is full or not, the intention is for you to enjoy the design and all the moods you can create.

Dimensions

L10,2" x W7" x H9,4"

L26cm x W18cm x H24cm

Cord length

200cm

78,7"

Weight

1,60 kg

Voltage (V)

120 or 240 V

Light source performance & quality

CRI: +85

Colour temperature: Dim-to-warm technology 2200-2800K

Light output: 480 lumen.

Lumen/watt: 100 lumen/watt

Light source & energy efficiency class

4,8 Watt LED

The luminaire is compatible with bulbs of energy class: A++ – A

The built-in LEDs cannot be changed in this luminaire

Certifications

CE, IP20, Class II
