

Chapter Table

Roll & Hill

Product Type Dining Table

The *Chapter* table is one of a series of pieces originally designed by Post Company for INNESS, a Hudson Valley country resort that takes all of its cues from the surrounding landscape. Intentionally heavy visually and physically with joinery that is pronounced but not fussy or ornate, *Chapter* was designed to provide for gathering and connection.

Dimensions

D50" x W60" x H29"

D127cm x W152,4cm x H38,1cm
