

Pepa

Astep

**Product Type** Lighting

With a strong body of solid wood and powered by a technological heart, Pepa is a portable luminaire that marries traditional craft with modern technology.

Pepa was inspired by a small kitchen tool that can be found on tables in homes and restaurants all over the world: the pepper grinder. As you would hold and twist a pepper grinder to add pepper to a dish, Pepa is held and twisted to add light to your evening everywhere. As you rotate the conical reflector of Pepa, the illumination can be finely and smoothly adjusted from off to on, and anywhere in-between. Rotating limitlessly 360° there are two points with precise clicks: one at full brightness and another when off.

Dimensions

Ø8,11" x H10,74

Ø20,6cm x H27,3cm

Cable Length

150cm

Weight

1.40 kg

Light Source Integrated LED 5W

400lm

2200K

Charging System USB Cable

Connector USB Type C
