

$\underset{\mathsf{Astep}}{\mathbf{SB}}\ Cinquantotto$

Product Type Pendant

Astep reintroduces a remarkable suspension light in handblown opal glass. For more than half a century, the SB Cinquantotto design has held a special place in the Sarfatti family, and now the time has come for the founder of Astep, Alessandro Sarfatti, to share its beauty. A characteristic shape, an original wire mounting and a timeless choice of materials make the SB Cinquantotto pendant from 1958 a true masterpiece for contemporary living. The SB Cinquantotto pendant has always been present in the life of the founder of Astep, Alessandro Sarfatti. His grandfather, the great Italian lighting master Gino Sarfatti, fitted the Sarfatti holiday house by Lake Como with the prototype by the architectural duo Santi Borachia, and to this very day, it remains an irreplaceable part of the interior, owing to its timeless beauty.
