

Assemble Side Table

Valerie Objects

Product Type Side Table

For Linde Freya Tangelder, the founder of destroyers/builders, the ASSEMBLE is a sofa debut. "It was the most complex object I have ever designed. And the largest for that matter. It was challenging to combine my preference for architectural contouring and very tactile materials with rather practical necessities as sitting comfort, foam density and extreme detailing."

Dimensions

W22.87" x D 10.6" x H17.75"

W57,50cm x D 27" x H45cm
