

Orsola Armchair

Tacchini

Product Type

Lounge Chair

Roundness and comfort. Tradition and innovation. These are the keywords of Orsola, designed in 1970 by Gastone Rinaldi. The new edition stays true to its original spirit but features a latest-generation covering, supported by the rounded chrome metal frame, that gives it an even softer and more inviting look. The sofa and armchairs are handcrafted by master upholsterers just like they were fifty years ago – using revisited and up-to-date techniques.
