

AD Bank Bench

Arno Declercq

Product Type Bench

Belgian designer and art dealer, Arno Declercq makes sculptural furniture and objects with a passion for design, atmosphere, history and craft. Each piece is unique and entirely handcrafted by him. The AD Bench is offered in African Walnut or Iroko, both species he discovered during his many trips to West Africa.

The Iroko wood he treats through the Yakusugi technique or, Shou Sugi Ban. An ancient Japanese technique where the objects are burned to protect the wood from weathering and subsequently waxed to hold the patina in that moment in time. This gives each object a unique texture that is loved by many.

Made in Belgium.
