

Blown SW3

&Tradition

Product Type

Pendant

Blown is Samuel Wilkinson's first lamp for &tradition. A mouth-blown pendant with a quilted pattern, it comes in two versions: a translucent variant with a silver luster and a sandblasted white one. The pendant is fitted with a powder-coated cast metal suspension.

The pendant was conceived as an exploration of the reflections, distortions, and refractions of a light source when surrounded by patterned glass. Wilkinson explains the wide range of inspirations he looked to when developing Blown, "Like with any project, you start with an idea, and then you start looking at the world through a sort of filter. I've looked at antique ceramics, old glass pieces, lenses from very old lamps, lighthouses, even a mirrored bottle, just to see the way the light comes off it."

Dimensions

Ø 11" x H 11"

Ø 28cm x H 28cm

Cord length

157.5"

400cm

Weight

4,10 kg

Voltage (V)

120 or 240V

Light source & energy efficiency class

E26 Max 60 Watt.

The luminaire is compatible with bulbs of energy class: A++ – A

Bulb is not included. Canopy included

Certifications

CE, IP20, Class II

UPON ORDERING THIS DESIGN
