

Hex Pendant

Resident

Product Type Pendant Light

The Hex Pendant is a member of Residents signature 'Geometric Family' that displays mathematically precise, innovative and functional feature lighting for both the home and commercial environments. The pendant is suspended from discrete slim line wires, with a high quality LED light source that is elegantly diffused through recessed frosted acrylic.

Hex works well as a single pendant, displayed in multiples or with other members of the geometric lighting family.

Customisable options available with sizing in 500mm, 750mm and 1000mm.
