

## Fuso vase

RIES

### Product Type

Produced in the last hand-blown crystal factory of South America, this glassware collection (short glass, long glass, and vase) seeks to picture an intermediate moment between two physical states of matter in order to give the contained liquid new and unexpected forms.

### Dimensions

W4.92" x D4.92" x H5.92"

W12,4cm x D12,4cm x H15cm
