

Model 2065 Wall

Astep

Product Type Wall Light

A timeless masterpiece of lightness and elegance, Model 2065 Wall is the result of Gino Sarfatti's desire to experiment with materials. Gino Sarfatti came across methacrylate samples between 1949 and 1950. This convinced him to create a suspension lamp, the [Model 2065](#), with this plastic polymer which is much lighter and more resistant than glass. The Model 2065 Wall added to this the extraordinary capacity to re-write the formal status quo for its category: with the cables fitting inside its tube, it was stuck to the wall yet also nomadic and required no architectural or electrical intervention. Each option comes with the white diffuser. *Matter rewires some Astep products to meet US Standards when required. UL listing available upon request at an additional cost.*

Dimensions

W538 x D680 x H1900mm

Light Source

5 x E14 LED 4.5W (12W Max)

470lm (2350lm Total)

2700K
