

Naviglio sofa 216cm

Arflex

Product Type

Rigorous shape for the modular sofa Naviglio, but congenially softened in the lines thanks to the good use of materials and covers which are particularly soft and comfortable. As for all the upholstered furniture of arflex, a great attention has been reserved to the finishings, as for example the seams, or as for the Naviglio, in the structure consisting of a frame in solid oak assembled with a particular joint.

Dimensions

216cm x 100cm x 70cm
85" x 39,5" x 27,5"
