

Betty TK7

&tradition

Product Type

Stool

Named after the Betty Nansen theater in Copenhagen, this stool's sturdy frame is crafted from lacquered oak. The webbed seat – whose straps are made from natural linen fibers and woven by hand – offers a soft, cushioned base. Betty comes in two heights and is available in five colour combinations: Maroon with natural webbing; Twilight with natural webbing; Oak with natural webbing; Black with natural webbing; and Black with black webbing.
