

Caret MF1

&tradition

Product Type Table Lamp

A practical solution to the increasingly blurred boundaries between work and home, the portable Caret reimagines the linear silhouettes of the classic, green-shaded designs – known as 'bankers lamps' – found in historic libraries. Made entirely from lacquered steel, the design features a rounded base and a long, pyramid-shaped top that emits a soft, diffused light. The lamp comes in two contemporary colours: Dark Burgundy and Silk Grey.
