

Tabata LN10

&tradition

Product Type Lamp

Intended as a work of art, the Tabata lamp unites an industrial aesthetic with a warm light. Tabata was born after designer Luca Nichetto became intrigued by the idea of creating a lamp that appeared to float. Comprised of three interconnected metal modules, Tabata can be oriented by the owner to direct the diffused light source as desired.

Dimensions

W: 15cm / 5.9in x D: 10cm / 3.9in x H: 21cm / 8.3in.

Weight

1.6kg

Voltage

220-240V – 50HZ

Light Source

4 x GU10 max 5W LED
