

Tubo Chair

Wentz

Product Type Dining Chair

The Tubo chair is a soft synthesis. In a sensorial and fluid path, the tube materializes a long and sinuous design that runs through the parts of the chair in one breath. All upholstered in an exclusive WE-KNIT fabric — made from recycled PET bottles — it protects and welcomes the gesture of sitting, mimicking human joints while providing a seamless finish. Plastic tips come fitted to the feet to prevent fabric friction against the floor.

Dimensions

W 61cm x D 58cm x H 75cm

W 24" x D 22.8" x H 29.5"
