

## Maxhedron 30" - Vertical

Roll & Hill

**Product Type** chandelier

Bec Brittain's Maxhedron is a study in material transformation through light and reflection. When off, the partly-translucent Maxhedron reflects and blends with its environment; when on, the dazzling inner constellation of bulbs projects bands of light onto nearby surfaces. Offered in multiple sizes and horizontal or vertical hanging.

*Available in Tessellated Mirror upon request.*

### **Dimensions**
