

## Cobble Tall Side Table & Stool

## Product Type Stool

Durable and smoothly rounded ceramic furniture with gentle asymmetries cast in a specialised laboratory-grade high gloss glaze suitable for interior and exterior use.

Cobble is available in two sizes, suggesting use as a stool or table. Incised rectangular notches articulate the edges, adding an element of intrigue.

The forms were first hand-sculpted in plaster, imbuing them with subtle imperfections and gentle asymmetries, all of which are left intact. Each Cobble is then cast in a factory specialised in laboratory-grade ceramics.
