

Dialogo Chair

Tacchini

Product Type Chair

A rectangular frame with rounded edges, masterful joints, and strictly visible dowels and screws reinforces the typical double trestle structure by Tobia Scarpa. A chair with enveloping comfort – with attention to the smallest details even in the seat, where a small opening allows it to be lifted easily in a perfect – synthesis of elegance and rationality. Dialogo celebrates its 50th birthday with this re-edition by Tacchini: a tribute to the timeless lines that define it and to the great master who designed them.
