

## Torii Love Console

Tacchini

**Product Type** Console Table

In the console designed by Studiopepe, the torii, the traditional Japanese portals, are re-discovered through new functions and meanings. In a succession of distant visions and emotions, essential elements combine in an imposing physicality given by a very thick top – which acts as an architrave with two legs that recall supporting columns.

### Dimensions:

W 150cm x D 45cm x H 80cm
