

Solstice Lamp

Tacchini

Product Type Sconce

A dense, almost mysterious light is filtered through soft and enveloping materials. Luminosity and transparencies fluctuate, creating repetitions of lights and shadows, solids, and voids. Inspired by Object Art and in particular by the works of Enrico Castellani, these elegant fiberglass sculptures – Solstice applique – and Equinox cocoon-suspension lamp – reinforce the strong understanding between Tacchini and Studiopepe.

Dimensions:
W 40 H 60 cm
