

Vertical Nest Light

Tacchini

Product Type Lamp

Soft folds become luminous sculptures that seem to grow naturally. The light diffuses calmly, and blurs perceptions and contours creating an atmosphere of peace and seductive mystery. Defying any definition of space, these creations in white polycarbonate – corner lamp and floor lamp born from the imagination of – Brian Thoreen, recover the suggestive Déco lines of the past in a form made possible only by the manipulation of contemporary materials.

Dimensions:

Wall Lamp: W 40 D 40 H 90 cm

Floor Lamp: Ø 32 H 140 cm
