

X Chair HM10

&tradition

**Product Type**

Lounge Chair

Showcasing an intriguing relationship between material and concept, the X lounge chair represents Hvidt & Mølgaard's peak as furniture designers. After experimenting for years with the concept of a laminated wooden frame inspired by old wooden tennis rackets, Danish design duo Hvidt & Mølgaard released X in 1959, a lounge chair with a distinctive sloping silhouette and understated aesthetic.
