

Bloom Table Light

Resident

Product Type Table Lamp

The Bloom Table Light's super-elliptical form is inspired by the gentle dynamic flow of paper lanterns. Its glorious lit effect is the result of transparency and light. Two contrasting materials – a finely perforated mesh core and frosted blown glass, combine to project a soft focus texture onto the inside of the shade.

Sitting atop a plated stainless steel base, Bloom's distinct character is evident both in its on and off state, creating a versatile table light.

Product

L4cm x W24cm x H28.5cm

L1.6" x W9.4" x H11.2"

Light Source

E26 LED Bulb

Voltage

120V

Power Usage

5W (40W equiv)

Lumens

470lm

Colour Temp

2700k

CRI

90

Lifespan

15,000 Hrs

Cable

280cm (110.2 in)

Specify any details needed to place order.

These should be selection items on the website.

Dimming

Prewired with an in-line dimming switch and comes standard with a dimmable LED bulb
