

## Ghost Floor Light

Resident

**Product Type** Floor Lamp

The Ghost Floor Light is a minimal floor lamp made from two pure borosilicate glass tubes. In a collision of technology and materiality, a warm LED light source projects invisibly through the glass, to spectacularly illuminate the top edges. The result is a delicate visual presence, with a strong source of light for the space above.

### Dimensions

L2.2" x W2.2" x H51.7"

L5.6cm x W5.6cm x H131.4cm

### Light Source

Integrated LED

### Voltage

24V

### Power Usage

25W

### Lumens

500lm

### Colour Temp

3000k

### CRI

95

### Lifespan

50,000 Hrs

### Cable

300 cm (118 in) with an externaly housed driver
