

Ghost Table Light

Resident

Product Type Table Lamp

The Ghost Table Light is a minimal table lamp made from two pure borosilicate glass tubes. In a collision of technology and materiality, a warm LED light source projects invisibly through the glass, to spectacularly illuminate the top edges. The result is a delicate visual presence, with a strong source of light for the space above.

Dimensions

L2.2 x W2.2 x H17.8 in

L5.5 x W5.5 x H45.3 cm

Light Source

Integrated LED
