

AX HM11

&tradition

Product Type Armchair

AX represents one of the first times that plywood was shaped in 3D. The continuous curve of the armrests is mirrored in the frame, indicative of Hvidt & Mølgaard's training in Danish cabinetry. Their expert engineering of the construction ensures unsurpassed ergonomics, resulting in the design's reputation as the most comfortable wooden chair of its kind. Available in Lacquered Oak and Walnut or Dark Stained Oak and Walnut.
