

Develius Mellow Sofa EV8

&tradition

Product Type

Sofa Modular system

An ever-evolving state of lounging, Edward van Vliet's Develius Mellow puts comfort and longevity at the forefront. Following the success of the original Develius design, released in 2018, van Vliet's continuous creative exploration and ambition to create new design environments have resulted in Develius Mellow, a modular sofa with an even softer seating experience and a removable cover.
