&tradition

Product Type

Side Table

The Thorvald Collection celebrates outdoor living with sculpted silhouettes and an interplay of light and shadow. It's a modern take on the lyrical lines of Denmark's most esteemed neoclassical artist, Bertel Thorvaldsen and the mesmerising motifs of his eponymous museum. Solid steel sets the scene for an elegant, versatile series with a side table that can also double as a stool. Inspired by Copenhagen's vibrant atmosphere, Thorvald is a welcome escape from the everyday indoors - wherever in the world you may find yourself.
