Product Type Lounge Chair

A celebration of nature and materiality, Anderssen & Voll's outdoor collection Ville embraces alfresco living with a combination of solidity and softness. Likened to a 'firm, warm handshake', teak was chosen for the Ville armchairs for its welcoming touch, and the polyester webbing for its comfort and ability to adapt to body temperature. Intuitively designed to suit the unique needs of hospitality settings or during the colder months at home locations, the Ville armchair stacks in multiples of up to 8 pieces.

Order minimum of x2 chairs.
