

Ville AV27

&tradition

Product Type Bench

A celebration of nature and materiality, Anderssen & Voll's outdoor collection Ville embraces alfresco living with a combination of solidity and softness. A compact bench and the smaller size of the two in the collection, the AV27 is perfectly proportioned to accompany the AV25 table, but also stands alone as a seating option for smaller hospitality settings and private homes. The teak provides a warm and inviting surface which can be oiled or left untreated to suit individual preferences.
