

Ville AV25

&tradition

Product Type Dining Table

A celebration of nature and materiality, Anderssen & Voll's outdoor collection Ville embraces alfresco living with a combination of solidity and softness. The smaller of two table sizes, the AV25 is well suited to both smaller hospitality locations and residential settings. Incorporating the use of wood, the tabletop is crafted from teak to provide a warm and inviting surface which can be oiled or left untreated to suit individual preferences.
