Product Type

Floor Lamp

Model 1081 Floor is adding to the luxurious depth and versatility of Le Sfere collection. The strong visual presence of the floor light is a case study in balance. A single luminous sphere rests delicately on the black finish steel stem and base, serving as an ornamental structure. Alone the lamp stands as a solitary sculpture, in pairs a composition emitting a warm and diffused light. The floor light comes in two heights, 168 cm and 182 cm.
