

Goba
Neo/Craft

Product Type Table Lamp

The Goba Table Lamp, crafted from hand-blown crystal glass is inspired by the fascinating process of mushroom growth. Its classic mushroom shape evokes the aesthetic of the 1960's and 70's while exuding a modern elegance. The Goba lamp looks great in a grouping of multiple Goba's at different heights. The different glass finishes together create varying brightness levels and light accents, adding a unique atmosphere to any room.

Available in three sizes and three glass types - clear, opal, and satin. The Goba lamp has an integrated OLED light source (Organic Light-Emitting Diode) in the base which provides a soft, glare-free light. Seamless on/off and dimming functions through a built-in touch sensor featuring memory function.

Made in Berlin.

Dimensions

Goba 20

cm: \varnothing 18 x H 20

Inch: \varnothing 7.1 x H 7.9

Weight: 1.7 Kg / 3.7 lbs

Goba 30

cm: \varnothing 18 x H 30

Inch: \varnothing 7.1 x H 11.8

Weight: 2.5 Kg / 5.5 lbs
