

Isom Table

Neo/Craft

Product Type Tables

The Isom tables play with a fascinating optical illusion. The hexagonal glass panel is UV glued with three vertical foot elements whose edges, viewed from a certain angle, convey the perfect isometric drawing of a cube. A special detail are the CNC-ground double mitres and the seamless bonding of the foot elements. The different sizes and variants can be combined very well. The glass tables are available in four colours, each in clear glass and satin glass.

Made in Berlin.

Dimensions

Square 70

cm: L70 x W61 x H35

Inches: L27.6 x W24 x H13.8

Weight: 16.8 Kg

Square 80

cm: L80 x W69 x H40

Inches: L31.5 x W27.2 x H15.7

Weight: 22 Kg

Oblong 105

cm: L105 x W61 x H35

Inches: L41.3 x W24 x H13.8

Weight: 25.1 Kg

Oblong 120

cm: L120 x W69 x H40

Inches: L47.2 x W27.2 x H15.7

Weight: 32.8 Kg
