

Osom Side Table

Neo/Craft

Product Type Tables

The Osom tables are the round version of the Isom tables and can be ideally combined with each other. As with the hexagonal Isom tables, the base consists of three foot elements arranged at equal angles, which give the table its sculptural appearance. This design idea from 2012 formed the beginning of the glass table series by Sebastian Scherer. A special detail are the CNC-ground double mitres in the middle and the jointless bonding of the foot elements. The glass tables are available in five colours, each in clear glass and satin glass.

Made in Berlin.

Dimensions

Tall 45

cm: L45 x H45

Inches: L17.7 x H17.7

Weight: 10.6 Kg

Tall 50

cm: L50 x H50

Inches: L19.7 x H19.7

Weight: 13.1 Kg

UPON ORDERING THIS DESIGN
