

Capa Chair Accessory

Wentz

Product Type

Lounge Chair

The Capa Accessory is the reinterpretation of the traditional linen chair cover. To accompany the Capa Chair, the Accessory suggests a fabric has just been casually thrown over a wood structure. A piece where the intention is to deny design in order to celebrate unpretentiousness and improvisation. The geometric structure of the Capa Chair is a product in itself. The Accessory allows you to use the chair with or without cover, changing the mood per season or occasion.
