

Trid Sconce

Roll & Hill

Product Type Sconce

The Trid Collection was born from a collaboration between the French duo Memòri Studio and master potter Houda El Oman. Each piece is made by the skilled craftswomen of the Moroccan Rif mountains and reflects the potters' deep connection to their heritage. The designs pay homage to the land and its people. Cultivated in the potters' studio, the designs embody a timeless savoir-faire that blends traditional forms with contemporary relevance. Whether in a Marseille flat, a Moroccan home, or a California estate, Trid has a universal resonance that fits naturally into a range of interiors.
