

Ublo

Astep

Product Type

Sconce

Conceived for The Office Group in London, Ublo references the iconic industrial surroundings bearing witness to modern times. Envisioned as a decorative element, at the same time functional and minimalist, Ublo embodies David Thulstrup's impeccable visual language within interior design. The industrial inspiration is at the heart of the design with strong shapes and raw materiality that add a contemporary look to all spaces. The lamp carries an IP54 rating to offer a distinct design choice for bathrooms and other environments where water spray is a risk factor. Supporting Astep's sustainability vision, the lamp is furthermore fully repairable and using replaceable G9 bulbs as light source.
