

Inland AV32 Pouf

&tradition

Product Type Pouf

The addition of the pouf to the Inland collection adds another level to the set; the ability to sit back and put your legs up builds on the visual experience of a floating silhouette. Use it as a chaise-lounge extension to the Inland sofa, or as an extra seat when needed. The pouf's shape and size also make it a functional alternative to a coffee table by simply adding a tray on top.
