

X HM13 Table

Product Type

Coffee Table

Originally designed in 1959, the X table exemplifies the pinnacle of Hvidt & Mølgaard's work as creative collaborators. Revived from family archives, the table draws its unique design from ancient Egyptian folding chairs. Based on the same principles as the X chair, for which it was originally created to complement, the X table showcases the same sloping frame and discerning use of the material at hand.
