

## Plane Lounge Chair

Resident

**Product Type** Lounge Chair

The Plane Lounge Chair is a striking combination of form and function designed to stand the test of time, built to be passed down through generations. Crafted from solid timber, its bold design features a cantilevered seat supported by internal joinery, its structure a seemingly impossible balancing act. A true centrepiece, Plane commands attention with its substantial mass and robust timber legs merging sculptural artistry with practicality.

Made in New Zealand, this chair makes a powerful statement in any space.
