

Little Fella Side Table

Resident

Product Type Side Table

A family of four, the Little Fellas collection is a series of solid oak side tables, each with its own distinct personality. Honest in construction and refined in form, these pieces balance playfulness with a quiet, architectural presence.

Little Fellas echoes elements of Jamie McLellan's earlier designs. Stacked forms, exposed joinery, and a materiality that speaks to Resident's deep understanding of timber.

Designed to flat-pack, these pieces embrace simplicity. Whether standing solo or gathered together, they find their place with ease, next to a sofa, bedside or waiting patiently by the door. Uncomplicated, well-built, and full of character.
