

## Roma Nuvola Linear

Tacchini

### Product Type

Sofa

Joins the family designed by Jonas Wagell, a "classic" project in name, recalling 1950s design in a refined reinterpretation. Here, the soft curve of a semicircular shape that characterises the collection is expanded to offer the utmost comfort – from the proportions to the integrated chaise longue, to the soft rounded cushion that invites relaxation. Other cushions of different sizes can be freely placed for even more custom comfort.
