

Grand Sesann

Tacchini

Product Type Sofa

Sesann is reborn in new dimensions to offer greater comfort and sensuality with a deep and welcoming seat that further enhances the important volumes of this historic sofa. Grand Sesann thus becomes synonymous with peace and absolute rest, without losing the distinctive features of Gianfranco Frattini's iconic project and the re-edition already presented by Tacchini in 2015 – such as the tubular metal architecture that envelops the soft shapes and colour combinations and high-impact materials that can be created between the structure, padding, and wooden feet.
