

Butter Tray

Tacchini

Product Type Tray

The Butter tray echoes the soft forms of Tandsmør – butter spread so thickly on bread that teeth leave an impression. It is part of the Bread and Butter collection created in collaboration with Faye Toogood.

Glossy, glazed and generous, the Butter tray is the most versatile accessory in the Bread and Butter collection, which is inspired by the simple pleasures of bread and butter – the foundations of everyday happiness and wellbeing. Designed with the same soft, playful forms as the rest of the range, the tray is made from glossy glazed ceramic and always ready to be useful – whether carrying lemons or toast or simply serving as a convenient catch-all beside the other pieces in the family.
