

Tact & Trace Mirrors

Tacchini

Product Type Mirror

Inspired by memories that fade over time—like the colors and reflections of a kaleidoscope—this collection of vases and mirrors marks the first collaboration with the design studio *Objects of Common Interest*. The *Tact & Trace* mirrors reinterpret the essence of a crystal, capturing light, form, and the emotions resurfacing from the memories of Eleni Petaloti, one of the studio's founders. Colored and semi-transparent resin plays with light and shadow in dynamic ways, while the prismatic shapes lend the mirrors a soft, timeless character.
