

## Jacket Armchair

Tacchini

**Product Type**      Armchair

The Jacket armchair draws inspiration from the world of fashion and the meticulous attention to detail required by tailoring: from the cut to the stitching, to the refined colour to the sleek and slender metal frame. Designed by Patrick Norguet, Jacket is clearly inspired by fashion. The sleek, sinuous metal frame is highlighted by its tailored covering: an elegant, quilted fabric that not only dresses the armchair but becomes a soft and welcoming shell, with edges reminiscent of a jacket's lapel. Two cushions add an extra sense of soft comfort to the Jacket.
