

Kelly E Armchair

Tacchini

Product Type Armchair

Lines, colour, and minimalism that celebrates bold, full contrasts define the Kelly E armchair and the matching furniture family, offering great possibilities for personalisation.

Part of the multi-award-winning collection by Claesson Koivisto Rune, Kelly E celebrates creativity inspired by the brilliant artistic vision of Ellsworth Kelly. The armchair features a slender metal frame that supports the lightly suspended seat and backrest: different volumes and proportions allow for multiple compositional possibilities, even playing with different finishes and colours to fit into spaces that require a functional and contemporary design.
